2024 AX FACT BOOK

The AX Fact Book is a comprehensive collection of concessions data and the preferred information resource for airport industry leaders in North America. For more than two decades, the AX Fact Book has been the most valued source of essential statistics for airport and concessions executives and other aviation officials. Every Fact Book has a 12-month read cycle, which makes it a valuable advertising vehicle to keep your brand visible through the year.

AIRPORT DATA AT YOUR FINGERTIPS

The AX Fact Book offers annual data on sales, square footages, enplanements, dwell times, dominant airlines, existing tenants and lease expirations for a broad swath of North American airports. The comprehensive statistics help industry executives benchmark and compare sales performances among participating airports. The book also contains contact and business information for airports, developers, concessionaires and more.

THE BEST & ONLY SOURCE

Airport Experience® News is the only publisher of this detailed and highly sought-after data on airport concessions programs.

Space Deadline: September 10, 2024
Artwork Deadline: September 17, 2024
